

St. Patrick's Day Upper and Lower Case Matching Activity

S T . P A T R I C K ' S
D A Y

s t . p a t r i c k ' s d a y

Print this sheet and cut around each letter and symbol. For the large pictures and the upper case letters, attach around the outside edge of a tin, basket, or plate in evenly spaced intervals. Attach each of the small pictures and lower case letters to the flat surface of a wooden clothespin, so the letter can be read when the pin is clipped onto the item. Invite children to look at the upper case letters, around the edge of the basket, and then search for the matching lower case letter to clip above them.
